SUPPLEMENTARY INFORMATION:

I. Abstract

The Assistant Secretary - Indian Affairs held listening sessions in July and August 2013 and consultation sessions in July and August 2014 to receive feedback on ways to improve the Department's process for acknowledging an Indian tribe, as set forth in 25 CFR 83. The Assistant Secretary is currently in the process of revising the process for acknowledging an Indian tribe; however, this request for extension for this information collection request does not include the suggestions and feedback from the listening sessions and consultations. To not stall or delay potential petitioners that may want to submit this information, the Assistant Secretary – Indian Affairs is requesting an extension of the approval for the information collection conducted under 25 CFR 83.

The information collection is conducted under 25 CFR 83, to establish whether a petitioning group has the characteristics necessary to be acknowledged as having a government-to-government relationship with the United States. Federal recognition makes the group eligible for benefits from the Federal Government. Approval for this collection expires August 31, 2014. Three forms are used as part of this information collection.

II. Request for Comments

The Assistant Secretary – Indian Affairs requests your comments on this collection concerning: (a) The necessity of this information collection for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) The accuracy of the agency's estimate of the burden (hours and cost)

of the collection of information, including the validity of the methodology and assumptions used; (c) Ways we could enhance the quality, utility, and clarity of the information to be collected; and (d) Ways we could minimize the burden of the collection of the information on the respondents.

Please note that an agency may not conduct or sponsor, and an individual need not respond to, a collection of information unless it has a valid OMB Control Number.

It is our policy to make all comments available to the public for review at the location listed in the ADDRESSES section. Before including your address, phone number, e-mail address or other personal identifying information in your comment, you should be aware that your entire comment – including your personal identifying information – may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.
